BILL HICKOK is taking shootin' lessons by studying the picture of his uncle, the original "Wild Bill" Hickok.

Photo by Erwin Mattson

Wild Bill Hickok Rides Again; His Nephew is Here in Lafayette

By ERWIN MATTSON

Bay area papers have been filled with news concerning the arrival in town of two 'notorious' persons — Al Jennings and another who claims to be Jessie James. But Lafayette, not to be outdone, has in its midst a real live nephew of the famous Wild Bill Hickok.

Wild Bill is recorded in history as a two gunned Marshall who shot from the hip and asked questions afterwards.

WILD BILL'S NEPHEW
William Hickok, co-owner of the Associated Service Station, tells some mighty interesting tales concerning his uncle who now lies buried in Deadwood, South Dakota.

His grave has become a national monument to a hero of the days when men wore a pistol on each hip and knew how to use them or soon went the way of all flesh.

Wild Bill was formally named James Buttler Hickok after general Buttler, a relative of Civil War days.

Our Bill relates that the monicker "Wild Bill" was tacked on as a result of an early fight with the notorious McCandles gang at a time when the man with the quickest draw was always right.

MEETS NOTORIOUS GANG
"Wild Bill was on duty as a watchman with Majors and Russell, a concern connected with the pony express," Lafayette's Wild Bill relates. "The McCandles gang told Hickok to have horses and provisions ready as they would be for them at a given time."

"Bill said he would be there but had doubts about the horses and provisions. The gang arrived on schedule only to find the place barricaded, and in the ensuing fight eight of the notorious gang went to meet their maker."

During his career as a law enforcement officer the Marshall killed so many bad men the actual count has been lost with the passage of time, according to his nephew.

It is recorded that 75 alone fell before his blazing guns in the Civil War.

KNEW BUFFALO BILL
Among his many well known associates were Buffalo Bill and

Mrs. Harrold Takes Charge of Meeting
Mrs. Arline Harrold presided over the meeting of the Contra Costa Insurance Agents in Port Chicago recently. Mrs. Harrold took over the duties of Ted Schroeder of Walnut Creek who was ill at the time.

The new Financial Responsibility Law for car owners and the new rate slashes on fire insurance were discussed.

Upsets and Excitement Dominate Country Club Invitational Tourney

The Orinda Country Club's 18th Invitational golf tournament that has been in progress for the last 10 days has lived up to its reputation of upsets and excitement.

The first major upset was brought about by Eddie Loustalot, the finalist of the club, when he defeated Tal Smith, the defending champion, on the second extra hole with an eight iron 25 foot shot.

The second upset came about the next day of play when Gene Brown of Richmond, upset the Orinda hopes of a home champ when he downed Loustalot 3 and 2.

The other finalists were Bobby Roos of San Francisco, over Elliott 5 and 3 and Bill Higgins also of the Bay City, over DeAr-

General Custer of "last stand" fame.

Wild Bill's career came to an end on August 2, 1876, as the result of an assassin's bullet, who shot him in the back of the head while engaged in a friendly card game.

So just remember when you drive into the "friendly" Associated Service that it pays to be friendly in return or Wild Bill the Second may revert to type and go on a rampage with guns a-blazing from both hips.

Employment Office Offers Jobs in Area

The Berkeley office of the California State Employment Service has received orders from Lafayette and Orinda employers. These job openings may be of interest in the particular areas involved.

Applicants who might qualify as Gas Station Attendants, Route Salesmen, Handymen, or Dishwashers, are invited to file application for work at the Berkeley office, 2461 Shattuck Avenue, on Mondays through Fridays, from 8:30 a.m. to 5 p.m.

In addition to the openings mentioned, qualified applicants would be advised of positions open in Berkeley and Albany. Some of the positions currently open are Assistant Plant Superintendent at \$100 per week, Bricklayers at \$2.25 per hour, Mechanical Engineer at \$4149 per year, Landscape Architect at \$4902 per year, and Optometrist at \$4149 per year.

Children Fix Toys for Those Confined to Bed

A surprise party for the children in a Richmond Hospital is being planned by the children of the Lafayette Community Church Sunday School.

Since funds are low in the hospital and no money is allocated for toys or recreational materials, Lafayette children are reconditioning toys and dressing dolls for gifts to these patients who are confined in bed for an average of six months.

Donations of toys (especially those suitable for bed patients) which are not beyond repair are sought for this surprise party. The children also need buttons and scraps of wool for an overseas project. Contributions may be left at the Lafayette Pharmacy.

Plans for Church Building Fund Campaign Made

Preliminary plans for setting up a building fund campaign during the last week of September were made at a meeting of 22 official representatives of Orinda Community Church last week. Present as leader of the conference was Dr. George G. Dowey of Burbank, who successfully conducted a similar campaign for the Orinda group in 1945.

Immediate use of all funds on hand or collectable from the previous subscriptions is planned in construction of a pre-school unit near the present chapel and community hall, and plans for this unit were displayed by William Penn Mott, building committee chairman. The new campaign will be for the purpose of completing this unit and erection of a third section for primary and intermediate grades. The building program is made necessary by large increases in Orinda's child population and the fact that parents depend on the Community church for religious instruction for their families. Other uses are to be made of the prospective unit during the week.

Both Clippers, Seafarers Plan Parties Tonight

Tonight, Friday evening, has been selected by both Clipper and Seafarers groups of Orinda for social occasions.

Mr. and Mrs. Kirk Miles, Clipper Skippers, have announced a pot-luck supper at the church building at 6:30. Seafarers, with Mr. and Mrs. G. Chester Brown as Skippers, will meet at the A. W. Elkinton home, 39 Ardilla Rd., for a barbecue, also at 6:30.

Red Cross Swim Campaign Starts

The Red Cross Swim Campaign for Lafayette will start on Tuesday at the Acalanes Pool. Every one from 6 to 60 is eligible to participate in the swimming lessons.

The registration begins Tuesday at the pool with the following schedule in effect. Life-Saving, 8:30 to 12:30 Tuesday through Thursday. The mixed group classes will be under the supervision of Charles Eaton.

High School Students to Assist At Church Worship Service

Eight high school young people who have recently returned from the East Bay Pilgrim Fellowship Conference at Cazadero will assist and speak at the worship service of Orinda Community Church at 10 o'clock Sunday morning.

There will be music by a women's group, with Mrs. C. P. Baker at the console of the memorial organ. This is to be the third of a series of summer-time services

Walnut Creek To Have City Mail Delivery

Walnut Creek will have city mail delivery starting August 1, according to the postmaster, Larry Bornholz. There will be two deliveries a day on a route that will serve the business district and sections of the residential area.

Postal authorities explain that the whole area will not be served with city delivery because of lack of sidewalks and house numbers. Some residential districts that are in the city limits will be served by rural delivery.

With the addition of the city delivery three new rural routes have been authorized with various extensions of former routes. Parcel post and special delivery will still be carried by automobile.

The annexation of Diablo Vista tract to the city earlier this year will have house numbers assigned to it in the near future to fit in with the new postal organization in the area.

RETURN FROM RANCH

Mr. and Mrs. Garland M. Heinrich, 14 Los Dedos, have just returned from ten days spent at Scott's Ranch, Trinity Center, California, as hosts to their family: Mr. and Mrs. Dick Evans, Susan and Claudia from Los Angeles; and Mr. and Mrs. Bob Oas from Eugene, Oregon.

'Orinda Sun' Shines on 4th

Dr. Murray and Hazel Groves entertained on the 4th with a barbecue dinner in their patio.

Among the guests were Mr. and Mrs. Chester Brown, Mr. and Mrs. Towne and daughter Mary, Mrs. Marie Bobsien, Leland Anderson and Bob Johnson.

Bob, in the Naval Reserves this summer, will attend Yale College in the fall. Leland will go to U. C.

The only sight of the sun the group saw that cloudy 4th was the heading cut out of the local paper and pinned compensatingly across his chest all afternoon by Dr. Groves, "ORINDA SUN."

Pacheco to Vote On 770,000 Sewer Bond Issue

Pacheco will vote on the Central Contra Costa Sanitary District Sewer Bond July 27. The \$770,000 bond issue is to finance the Pacheco area's portion of the district's bonded indebtedness for the trunk line.

The District has awarded a contract to the A. T. Bennett Construction Company of Palo Alto to install oxidation beds at the treatment plant northeast of Pacheco.

Contract was awarded Stolte Inc. recently for the sewer collection lateral system in Local Improvement District No. 2, comprising about 1080 acres of residential land at the southwest edge of Walnut Creek and extending roughly from the Newell Tract on the east through Saranap to Sun Valley Estates.

Record Drive Plea Continues

Now's your chance to rummage through your old phonograph records. Records you can spare will be appreciated by the patients at the Permanente Hospital in Richmond, according to Mrs. Harriett Kittredge, community service chairman of the American Legion Auxiliary.

Used records, especially children's records, are being collected during this drive which will continue for the next few weeks.

Donations may be left at the Lafayette Cleaners.

Walter Fribergs Attend N. Y. Lions Convention

Mr. and Mrs. Walter E. Friberg of Via Floreado left the 28th to attend the Lion's convention in New York where Mr. Friberg will be the delegate from this area. They expect to be gone five weeks and will visit Mr. Friberg's home in Boston and hope to go on a fishing trip into Canada.

If luck holds out they hope to drive a new car home from the factory in Detroit.

PUBLICITY CHAIRMAN

Betty Broderick was recently named publicity chairman of the Dramateurs.

Park Pool Fourth Celebration Postponed Until This Sunday

Everything was set for a grand and glorious Fourth at the Orinda Park Pool, but due to winter weather, the scheduled events were postponed until Sunday, July 11th.

There will be intra-pool swimming races which start at three o'clock.

Miss Joan Mallory, who last week won the National 1500 metre free style event at San Diego A. A. U. meet, will give an exhibition. Miss Jeanne Grutzmacher will give an exhibition of the evolution

Plans For New Glorietta School Sent to Sacramento for Approval

At the last meeting of the school board on July 5, the plans for the Glorietta School were approved and sent to the State Department

Orinda to Send 3 Lions to Conclave

Orinda will be well represented at the convention of Lions International to be held in New York City July 25 through 29.

Already on his way is delegate Walt Friberg, accompanied by Mrs. Friberg, Mr. and Mrs. George Hartzell Sr. will fly to the convention leaving here July 22. Paul Vashell hops a plane for the big city July 24.

Totals Reported On Cancer Drive

Final report of the Lafayette-Orinda Cancer Drive showed a total of \$616.87, according to Mrs. George Vurek, chairman.

Out of this total, \$452 was received by mail and \$164.87 from cans.

"I would like to thank all who assisted in making the drive a success," Mrs. Vurek said.

County Offices Change Schedule

County offices went on a new schedule Friday with opening at 8 a.m. instead of 9 a.m.

The 5 p.m. closing time remains in effect. All offices will be closed all day Saturday, with these exceptions: The clerk, sheriff, auditor, recorder, district attorney, and during peak business periods, the tax collector and assessor will continue to be open from 9 a.m. until noon Saturday.

The recorder's office will only be open to the public after 9 a.m.

Garden Party at Nathan Grays

The home of Mrs. Nathan Gray, 2 Spring Court, was recently the scene of a lovely garden party.

Entertained were thirty guests, members of the January Circle of the First Presbyterian Church of Oakland. The hostess was Mrs. John Williams, 1000 Walker Avenue, Oakland, mother of Mrs. Williams.

The regular monthly meeting of the organization followed the 12:30 luncheon. Guests enjoyed eating in the beautiful setting with the waterfalls running. Mrs. Gray was in the receiving line.

Fred Morrows to Leave For Sierra Vacation

Rev. and Mrs. Fred Morrow, daughters Marjorie and Dorothy and son Don will leave next week for Mammoth Lakes, Mono County, their headquarters for what they hope will be a number of family back-pack trips into the upper San Joaquin river country. The Morrows are Sierra fans and the Orinda minister is a mad trout fisherman.

One-Arm Bandits Come out of Hiding In Moraga -- Until Sheriffs Arrive

One-armed bandits came out into the open in the area last week — but only momentarily, as the county sheriff confiscated three slot machines in Moraga July 1.

Deputy Sheriffs George Hinckley and Lee Gallamore saw the three machines in action at the Hetfield Place in Moraga and told the managers to remove same.

PROTECTION?

of School Architecture in Sacramento for final approval.

At the same meeting the budget for the years 1948 and '49 was approved by the board and sent on to B. O. Wilson, Superintendent of Schools in Martinez for the final passing.

The board also approved the hiring of a new teacher for the Orinda Grammar School for the coming Fall term.

The next meeting of the board will be August 2 and will be open to the public.

Yearly Oak Springs Picnic Planned

The Oak Springs Home Association will hold its annual picnic on July 25. Continuous entertainment from 10 to 10 with dancing and games is promised for the day.

The door prize will be a 50 dollar portable radio. The place of the picnic will be at the Oak Springs Pool and on that day the public is invited to swim and join in the entertainment.

The Chairman for the day will be Carl Miller and the proceeds will go towards pool maintenance.

The monthly meeting of the association on the 12th will consist of a supper meeting at the pool club house.

Orinda Realtors Offer Appraisal Service Free

The Orinda Branch of the Contra Costa Real Estate Board held their first regular meeting on June 29 at the Willows. Officers elected at the meeting were Mike Murphy, chairman; John Loop, vice chairman; and Marian Pittman, secretary.

The group appointed an appraisal committee that will be relieved every 30 days, to be at the disposal of Orinda residents to enable them to have a prompt, free appraisal of their property.

It was also resolved to have only one real estate sign on unimproved property and no signs on improved property except when it is up for inspection.

The Board will meet the last Tuesday of every month at the Willows and meetings will be open to all Orinda Real Estate brokers and, when announced, to sales personnel.

Frank Zorzies Return From Illinois Trip

Mr. and Mrs. Frank Zorzie returned Monday from a two weeks motor trip, visiting Mrs. Zorzie's mother and sisters in Montana.

On the way they stopped at Glacier National Park. Here they enjoyed the sight of intensely blue lakes, blue mountains with snow patches upon them, green meadows, and a profusion of blooming wild flowers.

AT CARMEL VALLEY INN

Mr. and Mrs. E. H. Erickson of 25 Hacienda Road spent a recent week end at Carmel Valley Inn.

The sheriffs were informed that the machines did not have to be taken out because "we were told it was okay."

Inspector Norman Wilson said that the "rackateers who placed the slot machines had apparently said they wouldn't be bothered. Often there is a misunderstanding and tavern owners believe that they can bring the machines out of hiding."

According to Wilson, the managers of this tavern in Moraga refused several times to stop the play and remove the slot machines, so Hinckley and Gallamore seized the nickle, dime and quarter machines.

He said they will be destroyed in 30 days.

Wilson stated that his officers check all taverns each week.

"We're human and we try to do what's right, but slot machines are not allowed," he said. "We're having a problem with the fancy console machines now in operation, but as long as they are for entertainment and don't pay off, we can't touch them."

He added that another machine was picked up in San Ramon last week end.

What Do You Think?

What a pleasant evening... a warm night sometime next month... with our families and friends sitting around the lawns... just relaxing... and listening... to a variety musical program, perhaps a humorous skit or two.

We discussed the idea with friends in Lafayette and Orinda the other day and it appealed to all of us. Our roving reporter then phoned a very small cross-section and asked them what they thought.

The reaction was very good — "It sounds like fun and with a good program of varied kinds of musical entertainment, it should be successful," they said.

There were a few objections — "Our sophisticated communities perhaps won't respond to this," "Most of our commuting population is not prone to leave their homes at night," and such.

But the most difficult problem presented was "Where is the Park — for your Concert in the Park?" That is a real problem; but one that can be overcome.

Planning a program to appeal to all would offer no difficulty, for there is a wealth of talent in our towns. Here are just few that we may draw on:

Orind Barbershop Quartet and Chorus (presenting the harmony that is sweeping the country), Oscar Busch's Contra Costa String Quartet, Chick Gandel's popular recording string combination, the top flight Walnut Creek Lions Club quartet; the Hi-Hatters band; musical units from the high school under the direction of Oscar Busch; numbers from the Straw Hat Theater; a preview of some of the numbers from the Lafayette Playshop's forthcoming "Under the Gaslights," a skit by Orinda's talented Dramateurs, as well as their orchestra.

Nor can we forget the excellent voices of several fine soloists residing here; for example, John Milano of Lafayette and Frances Groves of Orinda, to name the first two that come to mind.

The program should be fast-moving and not-too-long, maybe an hour and one half.

Once started we can arrange these programs once a month during our warm months.

Well, the seed of an idea we have; the meeting is open to further comment by individuals and organizations. May we hear from you?

Captain Sandford Sez:

Many persons who are appraising real property in this area at this time with an easy nonchalance, might better learn to step warily and try to acquire some of the appraiser's skill and experience.

One of the most competent appraisers in northern California, when I questioned him recently, told me that he made a rough draft, slept on it one night, dictated the final appraisal to his stenographer and after carefully re-checking, signed it, and got down on his knees and prayed that he had not made a doggone fool of himself.

I have recently encountered various motor scooters being driven on the sidewalks. Also certain youngsters park their bicycles in the middle of the sidewalk near the post office and stores, sometimes making it impossible to enter. The parents, school teachers or that vague "somebody," should do something about it.

We rode our horses on the 4th of July and deciding to cross the highway at Mountain View Drive, were somewhat flabbergasted by a motorist who courteously stopped his automobile and waved us safely across.

Somewhat hard to believe, perhaps, but that really is true. We were not killed. At least we don't think we are dead yet.

The national tally for celebrating the 4th of July was grim indeed. 564 people lost their lives. We'll certainly show these blasted Limeys where to head in at, dogone 'em.

I note with satisfaction that Mr. Garribotti's new building in Lafayette is progressing steadily. It will probably be completed in September. The Lucas boys have certainly moved a lot of earth and sand rock on the south side of the highway near the Veteran's Building. Watch this; it should be an interesting development.

I know a local business man who loudly proclaims "The customer is always wrong, even before he comes in the door."

On July 4th we found it necessary to heat our living quarters; some weather, and very unusual, I sez. Good-bye now.

Sewer District Brings Damage Suit

A suit was filed last week in Superior Court by the Central Contra Costa Sanitary District seeking \$57,267 for alleged breach of contract for uncompleted sewer work.

The defendants named are the National Surety Corporation and Zora Gogo, administratrix of the estate of Tom Gogo.

The complaints state that on September 18, 1947, the district awarded a contract to Gogo for the construction of a main line sewer for the amount of \$428,769.

Shortly afterwards Gogo died and work was never started thus necessitating a recall of bids. In November the contract was awarded to Stolte Inc. for \$486,036.

The damage request represents

the difference in the costs to the county of the 2 contracts. The National Surety Co. was named the co-defendant because it was the bonding company that furnished the bond in the original contract.

HOME FROM HOSPITAL

Mrs. Edmund F. Anderson of Hough Street returned home Friday from a stay in the hospital caused by virus pneumonia. We hope that she is much better now.

FUN IN LOS ANGELES

Mr. and Mrs. O. W. Jones report a good time in Los Angeles leaving here last Friday, and returning Tuesday.

World Federalists Have Town Meeting

"World Law or World War" was the timely topic for discussion at a Town Meeting open to the public which was scheduled for Thursday evening at Acalanes High School.

Robert F. Mozley and Benet Skewes-Cox were the speakers of the evening. The showing of the sound movie "One World or None" was also scheduled. This Town Meeting is presented by the United World Federalists of Northern California.

Mozley is particularly qualified to discuss the far-reaching implications of atomic energy since he is a physicist at the University of

California's Radiation Laboratory, working with the atomic scientists.

Skewes-Cox, executive director of the Northern Division of United World Federalists of California, is a University of California graduate and a Navy veteran. He was formerly with the American Embassy in Santiago, Chile and recently received his M.A. degree in International Relations from Georgetown University.

The motion picture "One World or None" was prepared under the auspices of the atomic scientists and is narrated by Raymond Swing.

Orinda Park will be the scene for the Aquator's next swim show Sunday, July 18th. The demonstration team is made up of highly skilled swimmers and water safety instructors.

About twenty of the best swimmers will participate in a fast moving water carnival featuring Farrel Ewallow and Al Holden, the funniest clowns in the bay area; the rhythm swimmers of Alice and Bruce Boyer; a raft jousting event by Bill Meinheit and Bob Donald plus a flashy diving event by Bob Dibble, Navy diving champion and Carson White of Oakland.

Jack Boorman, prexy of the Oakland Aquators will commentate during the show over the public address system. The team has already held demonstrations before patients of the Oak Knoll

GIs May Renew Life Insurance

Veterans of World War II who have allowed their National Service Life Insurance to lapse may reinstate without a physical examination prior to midnight July 31st.

J. W. Hammond, Veterans Service Officer, said that after July 31st a physical examination will be required. At present, a signed statement by the veteran saying his health is as good as when the policy was lapsed is generally all that is required to reinstate.

A veteran may reinstate term insurance or convert to ordinary life, 30-payment life, 20-payment life, 20-year endowment, endowment at age 60 or endowment at age 65, Hammond said. Or he may convert to more than one plan if the total amount does not exceed \$10,000.

Hammond said National Service Life Insurance costs less than any other comparable insurance because no administration expenses come out of premiums. Beneficiaries may now be paid in lump sums or by various installment plans. The insured also may name anyone of his choice as beneficiary.

Full information on National Service Life Insurance and assistance in filling out the necessary forms properly are available at the Veterans Service Office located at 108 Hall of Records, Martinez.

American Trust Reports Deposits

Deposits of American Trust Company on June 30 totaled \$931,903,068, an increase of \$23,542,288 compared with June 30, 1947, according to a statement issued by the firm today.

Loans and discounts increased by \$27,942,568 since December 31, 1947 and on June 30 totaled \$354,062,160 a gain of \$73,083,736 over June 30, 1947.

Total earnings for the first six months of 1948, after depreciation, amortization of securities and provision for taxes, amounted to \$1,742,901 compared with \$1,531,740 for the same period last year. Capital, surplus and undivided profits on June 30 totaled \$33,319,143 an increase of \$1,549,199 over June 30, 1947.

Your Garden IN LAFAYETTE AND ORINDA

BY
CONSTANCE HANSEN

If your garden lacks color after the iris and other spring flowers have passed on and you'd like some large showy plants to take over the display for the hot summer months, you should look into the possibilities of the hemerocallis or daylilies.

They are as beautiful in form and coloring as the true lilies, although lacking the delicate constitution of most true lilies. They are not bothered by bugs and seldom by blights, will grow in full sun or part shade, and in dry or wet soil if well drained.

They are particularly effective by pool or streamside, and varieties may be selected to give bloom from April through the middle of September.

LEMON LILY

The familiar lemon lily, Hemerocallis flava, and the double and single tawny daylily have been in cultivation for many years. Early settlers brought them along with

their household belongings in their trek across the plains. But the development of the many new colors now available has been comparatively recent.

The old colors were tawny or brownish orange, lemon and orange, and gradations between these colors. Daylilies in various shades of rose to almost a true pink have been developed by using a recently introduced species, Hemerocallis fulva rosea, in the breeding work. An English variety, Cissie Guiseppe, while not being particularly attractive in itself, has been the source of the new purple and wine-colored forms.

Many people, after seeing the newer colors, express themselves as still preferring the yellows and clear orange flowers for garden use, and it is true too that these are the ones which are most often fragrant, but the colors of all are so harmonious, the lighter

ones serving to make the others more effective, that I would always want as many as I could accommodate.

TABLE CENTERPIECE

A large shallow container of single flowers in an array of colors makes a stunning luncheon table centerpiece. The large clumps are handsome against an evergreen background, the flowers all turning outward toward the greatest source of light, while grown out in an open position, they face in all directions.

The old tawny varieties have a bad reputation for spreading, but many of the newer ones spread very little, the clumps increasing in size only gradually. They can be kept tidy by pulling off the old foliage that turns brown around the base of the plant.

Hemerocallis is a Greek word meaning "beauty for a day", since most daylilies open early in the morning and fade and start to close about nine in the evening. However, there are a few which are night bloomers, opening early in the evening and lasting through the next day. These are all lemon yellow fragrant ones, and vary from 2½ to 4 feet tall. They are very valuable in the outdoor living room, since the light colored flowers can be enjoyed on warm evenings.

NAME VARIETIES

Some of these night blooming varieties are North Pole, Calypso, Moonlie, Baroni, Vesper, and Yellow Jewel. Calypso, an old Burbank variety, is the one most generally available. These, together with a planting of the sweet-scented night-blooming white nicotiana, would be a good combination for an evening garden.

Then there are a few varieties which can be depended on to remain open until midnight, such as Dauntless, Patricia, Sonny, and Majestic. Plant breeders are working right along to add to this list, so that soon there will be a wider color range to choose from, since their early closing discourages those who like to use cut flowers.

There are no particular cultural directions to be given for the planting of daylilies, except that they should be set at least five feet apart, and preferably two or three feet from the edge of the border or walk. If given plenty of room at the start, they may be left in place almost indefinitely. Or, if they do get crowded, you might do as I do with the siberian or other iris when the clumps get too big. Take a spade and cut straight down through the clump and take out part of it. Then fill in the hole with fresh soil, and add a little fertilizer and leafy material or compost around the plant.

TO SANTA ROSA

There are few, if any places in this region where a representative collection of daylilies can be seen growing, so when I heard of a lady in Santa Rosa, who grows them as a hobby, I made a date last week to visit her garden. The visit was very satisfactory, as I found blooming just the ones I had wanted to see among the new named varieties. The best of the purples there was one called Black Prince, a wide-petalled flower with an almost black eye zone. Rose Dominion is a large rosy red with a dark eye, and blooms over a longer season than usual.

Some daylilies send up only a single crop of blossom stalks, while a few keep developing them throughout the summer. Honey Redhead is just that, a bright orange red, with rich green leaves, and a standout in the garden. Another lively one is Tejas, a little fellow with very bright orange red flowers. Star of Gold is an extra large yellow with pointed petals, and is considered to be superior to the much publicized Hyperion by the growers who have had them both in Santa Rosa.

This garden, while it was devoted to daylilies, also provided

fitting companions for them, such as summer phlox, regal lilies, blue platycodon, agapanthus (also blue) and the new hybrid tritomas or pokers in shades of creamy yellow to coral. Also seen with the daylilies was an unusual collection of plantain lilies, or hostas, and the rarely used oakleaf hydrangea.

The plantain lilies are very attractive foliage plants, but are also ornamental for their spikes of white, blue, or lavender flowers at this season. The oakleaf hydrangea is a lovely thing, not at all stiff like the ordinary kinds, but with soft scalloped or incised leaves and long clusters of white flowers at the ends of gracefully drooping branches. Dark blue or purple delphinium and the blue herbaceous veronica go well with daylilies, and all are completely winter hardy to any cold we might have here.

PLAYING HOOKEY

Joe Campana of Campana Music Store has been playing hookey (in bed) from his music school but returned last Friday. John Schneider held the fort during Joe's absence.

Pest Control Is Subject for Talk

"New Developments in Tomato Pest Control" will be discussed at two grower meetings to be held in Contra Costa County on Friday, July 9, Milton R. Bell, assistant farm advisor, announced today.

Dr. P. A. Minges of Davis, truck crops specialist of the University of California, agricultural extension service, will be the speaker.

One meeting will be held at 1:30 p.m. at the agricultural extension service office at Cowell. The other will be at 8:00 p.m. at Brentwood, in the agriculture building at Liberty Union High School. Both meetings will cover the same subject matter.

Irrigation and other phases of tomato culture will also be discussed, and colored slides will be shown.

TO CORNING

Mr. and Mrs. John Hassay and son, James, left last Wednesday for a two weeks vacation to be spent at Corning, Calif.

HOLIDAY TRIP

Betty Bunker and her brother Frank spent the week end holidays at Clear Lake. Mr. and Mrs. Roy R. Bunker spent the weekend at Yosemite.

Interested persons are cordially invited.

ORNUZ
By Jack and Stewart

Tip Of The Week

Watch your "Glads" now for thrip. If they are infected, use one of the good garden dusts or just D.D.T. to control them.

Do It Now

Paint trunks of young fruit trees now to protect them from sun burn.

Believe It Or Not

We have a large stock of charcoal and briquets for your barbecue or for your vacation trip. We also have a unique lighter for starting charcoal fires. This will take the place of kindling.

County Republican Assembly to Beat Drums to bring out Vote in November

Pointing out that only half the registered Republican voters in the county "bothered to vote in primary," William B. Freeman of Lafayette said that the Republican Assembly will work toward getting out the vote in November.

Only one Republican was nominated out of a total of seven entered in three races, said Freeman, president of the county Republican Assembly.

Although only 60 per cent of the Republicans in the county voted against the Wallace-backed candidate for State Senate, he declared "by splitting our 60 per cent between two other candidates we contrived to hand the election on a silver platter to the man

most of us wished ardently to defeat."

WINS ELECTION

(He referred to George Miller Jr. who captured both the Republican and Democrat nomination for state senate — and was elected.)

"We turned down one of the finest candidates for Congress our county has had," he asserted, "and actually elected a democrat who has consistently voted against virtually everything Republicans stand for."

(George Miller won both the Republican and Democrat tickets to defeat Robert Friberg.)

WHAT IS ASSEMBLY

"Many people ask us what the

FROM THE SIDELINES

By Coach Erwin Mattson

We returned last week from a week's football, basketball and baseball clinic at Stanford University and as a result have a bag full of new ideas.

Sports, like anything else, change with time and there is a constant shifting of ideas. Marchie Schwartz and his staff gave their version of the "T" and opened the book to their thoughts on the subject.

Question and discussion periods were the order of the day. The prize question asked was "How do you lose nine straight and hold your job?"

PERSONALITY KID

Marchie's personality, plus the fact that you feel that he is a real student of the game, is the answer to that one.

Most important, though, was the fact that the powers that be realized that Stanford's material was below par and that a series of accidents reduced it to such a state that not even a Knute Rockne could develop a winner.

A poor coach can spoil good material but even a top notcher can't make champions out of low caliber material.

TO CAGE COURT

Everett Dean gave his version of basketball and his thorough methods explained his success in his chosen field. Such stars as Howard Dallmar, Jim Pollard and Hank Lusetti were on hand to take part in demonstrations of technique.

Baseball was conducted by the New York Yankees in conjunction with Stanford University and proved to be not only thorough but outstanding in the presentation of new ideas.

Harry Wolters, Stanford coach, Bert Dunne, Burleigh Grimes, Fireball Johnson, Harry Leishmann and Red Strader composed the faculty and to say that they did a first rate job is putting it mildly.

REVOLUTIONARY IDEAS

Bert Dunne, in particular, presented many of his theories which have attracted great attention in the baseball world. Many of his

Republican Assembly is," he stated. "It might be defined as the Republican Party in its working clothes. It is a grouping together of the rank-and-file Republican citizens in this county for the purpose of encouraging and backing good candidates for public office; increasing the Republican registration in the count; and mustering out the maximum Republican vote."

ideas are revolutionary and conflict of thoughts were many.

Some of these new theories will be presented in future articles.

Incidentally Everett Dean is scheduled to take over as baseball coach in addition to his basketball duties after the coming season because Harry Wolters plans to retire.

Now sixty four, his actions belie his age and he gave a demonstration of place hitting which displayed reaction times of a champion.

AROUND THE CORNER

The football clinic brought home the thought that football is just around the corner and that many pro clubs go into practice next month.

High school practice is set for September 1 and that means that actual preparations must start in early August.

The Contra Costa league may well find three new coaches in the top spots.

Al Ratto has left Crockett with Tom Coll, former St. Mary's star and end coach, taking over. Pittsburgh replaces Tom Cureton with an Ohio product who will undoubtedly bring Pitt to the front as Ohio is a hot bed for prep football. Towis there often have stadiums capable of holding half again as many as the total population of the school district.

AT DIABLO?

The third new coach may be at neighboring Mt. Diablo where dame rumor has it that Pete Kramer is planning to devote his energies as Dean of Boys.

Diablo has had a time with its new football turf. Experts have been called in to devise ways and means of getting a sod developed in time for fall play.

Grass planted on two occasions failed to materialize beyond a "fuzzy bald" stage.

The third attempt has followed recommendations of the University of California board of experts.

AT BOYS CAMP

Ed Gathings, Chuck Gompertz, Bob Harrison, George Harrison and Tommy Veitch are at the Loka Boys' Camp.

Drive carefully — save a life.

Lafayette Legion Trims Antioch

The Lafayette Legion nine added Antioch's scalp to their list of wins as they won 5-1 in a hardball contest played at Antioch last Saturday morning.

Dave Johnson proved once again why he is the top prep chucker in the league as he gave up but two singles in the hit column while amassing 15 strike outs to his record.

Bob Fox starred at the plate as he rapped out three for three and drew a walk as well as tallying two runs.

Harold Dunbar, hard hitting outfielder, drew honors for the day's longest hit as he powered a triple deep to left field in his initial turn at bat.

Art Johnson, George Cockerton and Clark Gelhaus were credited with two apiece in the hit column while George Guppy added to the total with a double in the second frame.

Antioch scored in the opening inning and again in the third but from there on out it was Lafayette all the way.

Lafayette had 5 runs, 11 hits

and 1 error while Antioch had 2 runs, 2 hits and 0 errors.

Batteries were:

Lafayette: Johnson and Cockerton.

Antioch: Holden and Garcia.

It'll be Mink Furs, Singers, Fun At Scout Troop 207's Next Big Show

Fashion decrees mink furs, and mink it will be as grand prize at the coming second edition of the Annual affair of the Orinda Boy Scout Troop 207.

Tentative plans call for the show to be given in early October at the Orinda School. The list of marvelous prizes is off to a good start with Bob Nordquist's offer of the mink furs, and from now until the day of the show, it is expected that the list will grow beyond the proportions of last year's when merchants, individuals and Scouts cooperated to make a memorable evening.

It will be a variety show this year, with movies, singers dancers, and maybe a magician. Scout Committee talent scouts are out looking for the best there is, and will present an evening of enter-

tainment that will more than compensate every ticket purchaser.

Tickets, the committee announces, will be priced at a figure that everyone can afford.

Praise Given to Swim Teacher

So many times when a person does a good job, they don't receive credit for it and no one except those immediately concerned realize it.

That is the reason for this little note of gratitude from all the mothers of the children receiving swimming instruction at the Acalanes High School pool. There are 278 in the classes ranging from the poliwoogs to Junior lifesavers. A splendid job is being done by Charles Eaton in the classes.

It is no small task teaching so many children and keeping order, and the mothers have nothing but praise for the instructor.

RETURNS HOME

Dr. Wayne Caygill returned Monday from a flying trip to Madison, Wisconsin. He left June 24 to visit relatives.

Four County Positions Open

Announcement of four examinations to create eligible lists for four positions as account clerk, dietitian, intermediate typist clerk and clerk was made today by the Contra Costa County Civil Service Commission.

The tests will be conducted at a time and place to be announced later. Deadline for filing applications is July 31.

Applications may be obtained at Room 205, County Court House, Martinez, and will be accepted after the date of this announcement and until 5 p.m. of the final filing date.

Salary ranges are \$236-\$284 for account clerks, \$259-\$311 for dietitian, \$225-\$271 for intermediate typist clerk, and \$187-\$225 for clerk.

County residence has been waived for dietician applicants but others interested in the other positions must have lived in the county for one year.

Circular Ready On Pest Control

With the constantly changing development of new materials and methods for control of pests on tomatoes, the grower has every reason to become confused as to the proper program to follow in his particular situation.

With this in mind, Milton R. Bell, assistant farm advisor, has prepared a mimeographed circular entitled, "Control of Tomato Insects in Contra Costa County."

The new circular contains a summary of new recommendations in handy form so the grower can decide with a minimum of uncertainty which choices of materials and methods are feasible under his circumstances.

All interested persons may obtain a copy free of charge from the Agricultural Extension Service at Cowell, California.

Use Sun classified ads for prompt results.

Rifle, Pistol Club Plans Match Sun.

A rifle match, sponsored by the Lafayette Rifle and Pistol Club, will be held Sunday at 9:30 a.m. at St. Mary's College Range.

It will be a four-position, 40-shot, 100 yard match for any rifle with any sights. Entry fee will be 75 cents with no re-entries.

Medals will be awarded for the first, second and third places.

Those interested should contact John Earl of Lafayette or Allen C. Eske, 6124 Colby St., Oakland. Entries will be made at the college on the day of the match.

CHRISTIAN SCIENCE CHURCH

"The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him" (John 4:23). This is the Golden Text for the Lesson-Sermon in Christian Science churches for Sunday, July 11. The subject is "Sacrament."

Included in the sermon are the following citations: Matthew: "Blessed are the pure in heart: for they shall see God" (5:8).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration" (p. 241).

Concord Census Shows Increase

Concord's official population as recorded in a special census was 6009 as compared with 3940 in the 1944 census.

This census, costing the city \$750.15, is expected by officials to pay off in increased amounts which will accrue in gas taxes and

in lieu and other revenues.

By receiving the returns before July 1, the city is in a position to realize increased allocations during the first quarter of the new fiscal year.

How to get power from water five times

...and not consume a drop

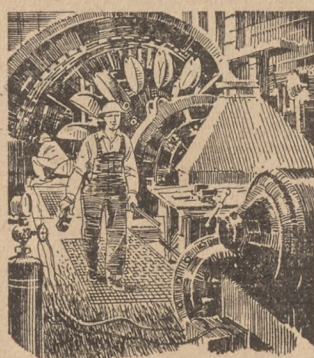

Water shooting from nozzles with rocket force spins 16-ton water wheels like toy tops in P. G. and E. powerhouses... but not a drop is wasted—it's put to work again and again.

Five different times, for example, water is borrowed from the Mokelumne River and sent rushing through penstocks (giant steel pipes) to whirl the generators. Then it's sent back on its way to municipal water supplies and farmer's irrigation ditches.

Here's a quick picture of the Mokelumne's 5 powerhouses. The top four—Salt Springs, Tiger Creek, West Point and Electra—are P. G. and E. plants. They will soon have a total capacity of 250,000 electrical horsepower—enough to serve the cities of Oakland, Stockton and Tracy.

Newest of the group is the big 133,000 horsepower Electra plant shown here in the final stages of construction. It will come on the line this month, bringing still more new power to serve growing California.

For the record

P. G. and E.'s water storage helps supply irrigation needs along the Mokelumne

New Electra replaces one of California's earliest hydro plants... in continuous service since 1902

The Mokelumne project is just part of America's largest interconnected power system

THINGS YOU SHOULD KNOW ABOUT PAINT

You don't
have to be
afraid of
Colors

The best rule about color is, "Use
it." Choose the colors you like
when painting. For we can show
you how to make those colors fit
your style of house perfectly, and
express your personality, too.

Be sure to visit us and see the col-
ors in the "Dutch Boy" line. They
can be combined to achieve any

effect you want. If it's suggestions
you need, we'll show you smart
color schemes created by expert
interior decorators using "Dutch
Boy" colors.

Why not drop in? As your "Dutch
Boy" dealer we can satisfy all your
painting needs... in paints, enam-
els, varnishes, supplies or ideas.

Monthly Episcopal Communion Service Held at Community Church

The Rev. Dr. Pierson Parker of Berkeley returned to conduct the third Episcopal Communion Sunday morning, July 4, in the chapel of Orinda Community Church. Sven Groennings assisted Dr. Parker.

Provision for a monthly Episcopal Communion Service within the organization of Orinda Community Church is a unique feature of the local church's cooperative plan and on June 22 at a meeting in the home of Mr. and Mrs. Robert D. Harrison, an Altar Guild was informally set up by Episcopal women of the community to care for matters incidental to the Services. Purchase or loan of equipment is being provided for, according to Mrs. Clinton Easterbrook,

who was selected as Orinda's representative in the diocesan Guild. The Orinda agreement, entered into by Bishop Karl Morgan Block with the local congregation, calls for participation of Episcopalians in the Community Church life and support, with systematic contributions by Episcopal constituents to the mission funds of the California Diocese. The cooperative arrangement was set up by the Rev. Russell Staines, chairman of the Missions committee, and was enthusiastically offered in formal action of the Orinda congregation. Rev. Fred Morrow, minister of the Orinda church, had a similar successful arrangement in Saratoga, where he was minister of the Federated Church before coming to Orinda.

Church Members in Graduating Class

Among the graduates of the Orinda Union School who are members of the Orinda Community Church or its Sunday School are: Don Badgley, Bob Bennett, Allen Cheney, Walter Cole, Paula Corey, Barbara Dawson, Richard Dickie, Robert Diehl, Carl Drews, Joe Englesman, Leatrice Fisher, Sally Fleager, Charles Gee, Sven Groennings, George Hazlett, Wallace Klitgaard, Ronald McKay, Lynn Nebeker, Phyllis Pyle, Don

Reid, Carolyn Ward, Toni West, and Pat Zamloch.

Acalanes graduates similarly associated with the Community Church are Fred Bennett, Phil Chapman, Warren Potter, Jim Selby, Carey Tittsworth, Don Westerfield, Boyd Wickman, Celia May Wilson and Anne Winters.

STEVE ALEXANDER ARRIVES

Mr. and Mrs. Charles E. Freshman of Walnut Creek are the proud parents of a baby boy, Steve Alexander Freshman, born Wednesday at Herrick Memorial Hospital. The young man weighed 7 lbs. 3 oz. at birth, and is their first child. Dr. C. L. Feiler of Lafayette was the attending physician. Mrs. Freshman is the daughter of Mr. and Mrs. Leo Alexander of Via Hermosa in Orinda.

BACK FROM COLLEGE

Among college students who are being seen around their home village after absence at college are Janet Gore, from Pomona, Frances Groves, from Chico State, Nancy Chantler and Murray Groves, from Oregon State, and Sally Tinkham, from Whitman.

IN SONOMA

Nancy Tinkham, Shirley Daniels, Daryl Broderick, Shirley McAninch, Jim Jacobus, Frank Tiche and Roger Dunn spent last week at the East Bay Pilgrim Fellowship at Cazadero, Sonoma county.

JOINS SCOUTS

Dick Laney hopped a plane last Friday for Seattle to join the expedition of Orinda Explorer scouts on their trip into Canada. He is set to return about July 20.

HOME FROM SCHOOL

Kei Ericson is home for vacation from Vermont where he has been attending preparatory school.

AT SUMMER HOME

The Ralph Halls have gone to their summer quarters on Hat Creek, Modoc County.

Here and There in Orinda

SWIM AT SANTA CRUZ

Mrs. William Penn Mott and her two children, Billy and Nancy, together with Mrs. Norman Ketsdever and her two girls, spent last week at Santa Cruz. All had a fine time swimming at Capitola and other nearby beaches.

SURPRISE PARTY

Mrs. Daisy Kreiss of Ardilla Road was given a surprise birth-

day party last Monday by 75 of her relatives and old friends some coming from as far away as Fort Bragg.

AT YOSEMITE

Mrs. Cliff Johnson and children, accompanied by Mr. and Mrs. W. B. Storey of Honolulu, spent June 29 and 30 at Yosemite, according to the Worden Travel Agency, who made their reservations.

CORONADO VACATION

Mr. and Mrs. Frank Olsen took that long-deserved vacation at Hotel Coronado at Coronado return-

ing here sometime today. They left June 29.

LUNCHEON GIVEN

Mrs. George Neldam of La Es-piral was hostess at a luncheon June 25 for Mrs. Rosita Boyen. The Boyens have just adopted a 3 month-old girl.

RESIDENTS OF ORINDA

Each of you know one or two families who would like to live in Orinda. There are many properties for sale in Orinda.

We, of Boies and Soule, feel we have a particularly fine new home of 3 bedrooms, 2 baths, priced at \$26,500.

We cordially invite your inspection. If it pleases you, you can tell your friends, "At last! Here is a home I heartily recommend."

Stop in and ask to see Mr. Dodge, won't you.
